AMARA

AMARO DI ARANCIA ROSSA DI SICILIA IGP

This unique natural liqueur is a blend of the best blood orange peels in the Etna area, infused with aromatic herbs and sugar, resulting in a golden color and full-bodied flavor.

Produced in limited quantities, by skilled craftsmen, without any colorants or additives. This pleasant and well balanced Mediterranean blend, makes it the perfect finish to any meal, best served ice cold.

Taste it That's **AMARA** !

The background features a large, abstract graphic. On the left, several parallel blue lines of varying thicknesses extend diagonally from the top-left towards the bottom-right. On the right side, there is a complex arrangement of concentric circles and overlapping loops, also in shades of blue, creating a sense of depth and movement. The overall color palette is monochromatic, using different tones of blue on a white background.
